Wouldn't it be great if there was a solution you already had that you didn't know about?

What if that solution could also **save you time / money** and deliver **tangible benefits** during this season of budget cuts? The solution is **NEXUS** a personalisable data portal already **available to all Local Authorities** through your **NCER membership**. Nexus has the following **features**:

- ◆ Quick access to **key information** on your schools
- ◆ Up-to-Date **Configurable School Profiles**
- ◆ **National Indicators** and **Statistical First Releases**
- ◆ **Census** and **Financial Data** on Schools
- ◆ **Ofsted Alerts**, Reports and Evaluation Summaries
- ◆ **Google Mapping**
- ◆ **Assessment Data** including FSP, KS1, KS2/3, GCSE and A-Level updated automatically by your existing data team using **Keypas**
- ◆ **Document Repository**
- ◆ Details of **Key Personnel** at each School
- ◆ Early Indications of **National Figures** (eg FSP, KS1)
- ◆ Access to dynamically generated **reports from Keypas** published by your data team
- ◆ **Customisable 'widgets'** per user
- ◆ **School Awards**
- ◆ Education **news feeds**
- ◆ **Password protected** website
- ◆ More features such as age/dob calculators, polls, website links, **to-do lists**, **document storage**, forum ...

The **NEXUS** Portal is available to **all member LAs** as part of your annual subscription to the **NCER**.

NEXUS facilitates a joined up approach to sharing data across School Improvement and Performance Data Teams and is accessible and customisable by Senior Management Team, Information Officers and Advisors.

Contact us on the details below to discuss how you can implement and roll out **NEXUS** fully across your Local Authority and start realising the benefits.
