

Perspective *Lite*

A suite of free time-saving tools
and reports for schools & teachers.

Perspective *Lite*

angelsolutions.co.uk/perspectivelite

Perspective Lite is the Education sector's front page.

Over 19,000 schools across England use Perspective Lite to access everything from early national data to our unique Ofsted Lead Inspector profiles.

You'll save time preparing for governor meetings (or school improvement meetings) with our handy infographic tool for your census data, and even receive alerts when things change across Parent View, and more.

Not to mention, it's absolutely free.

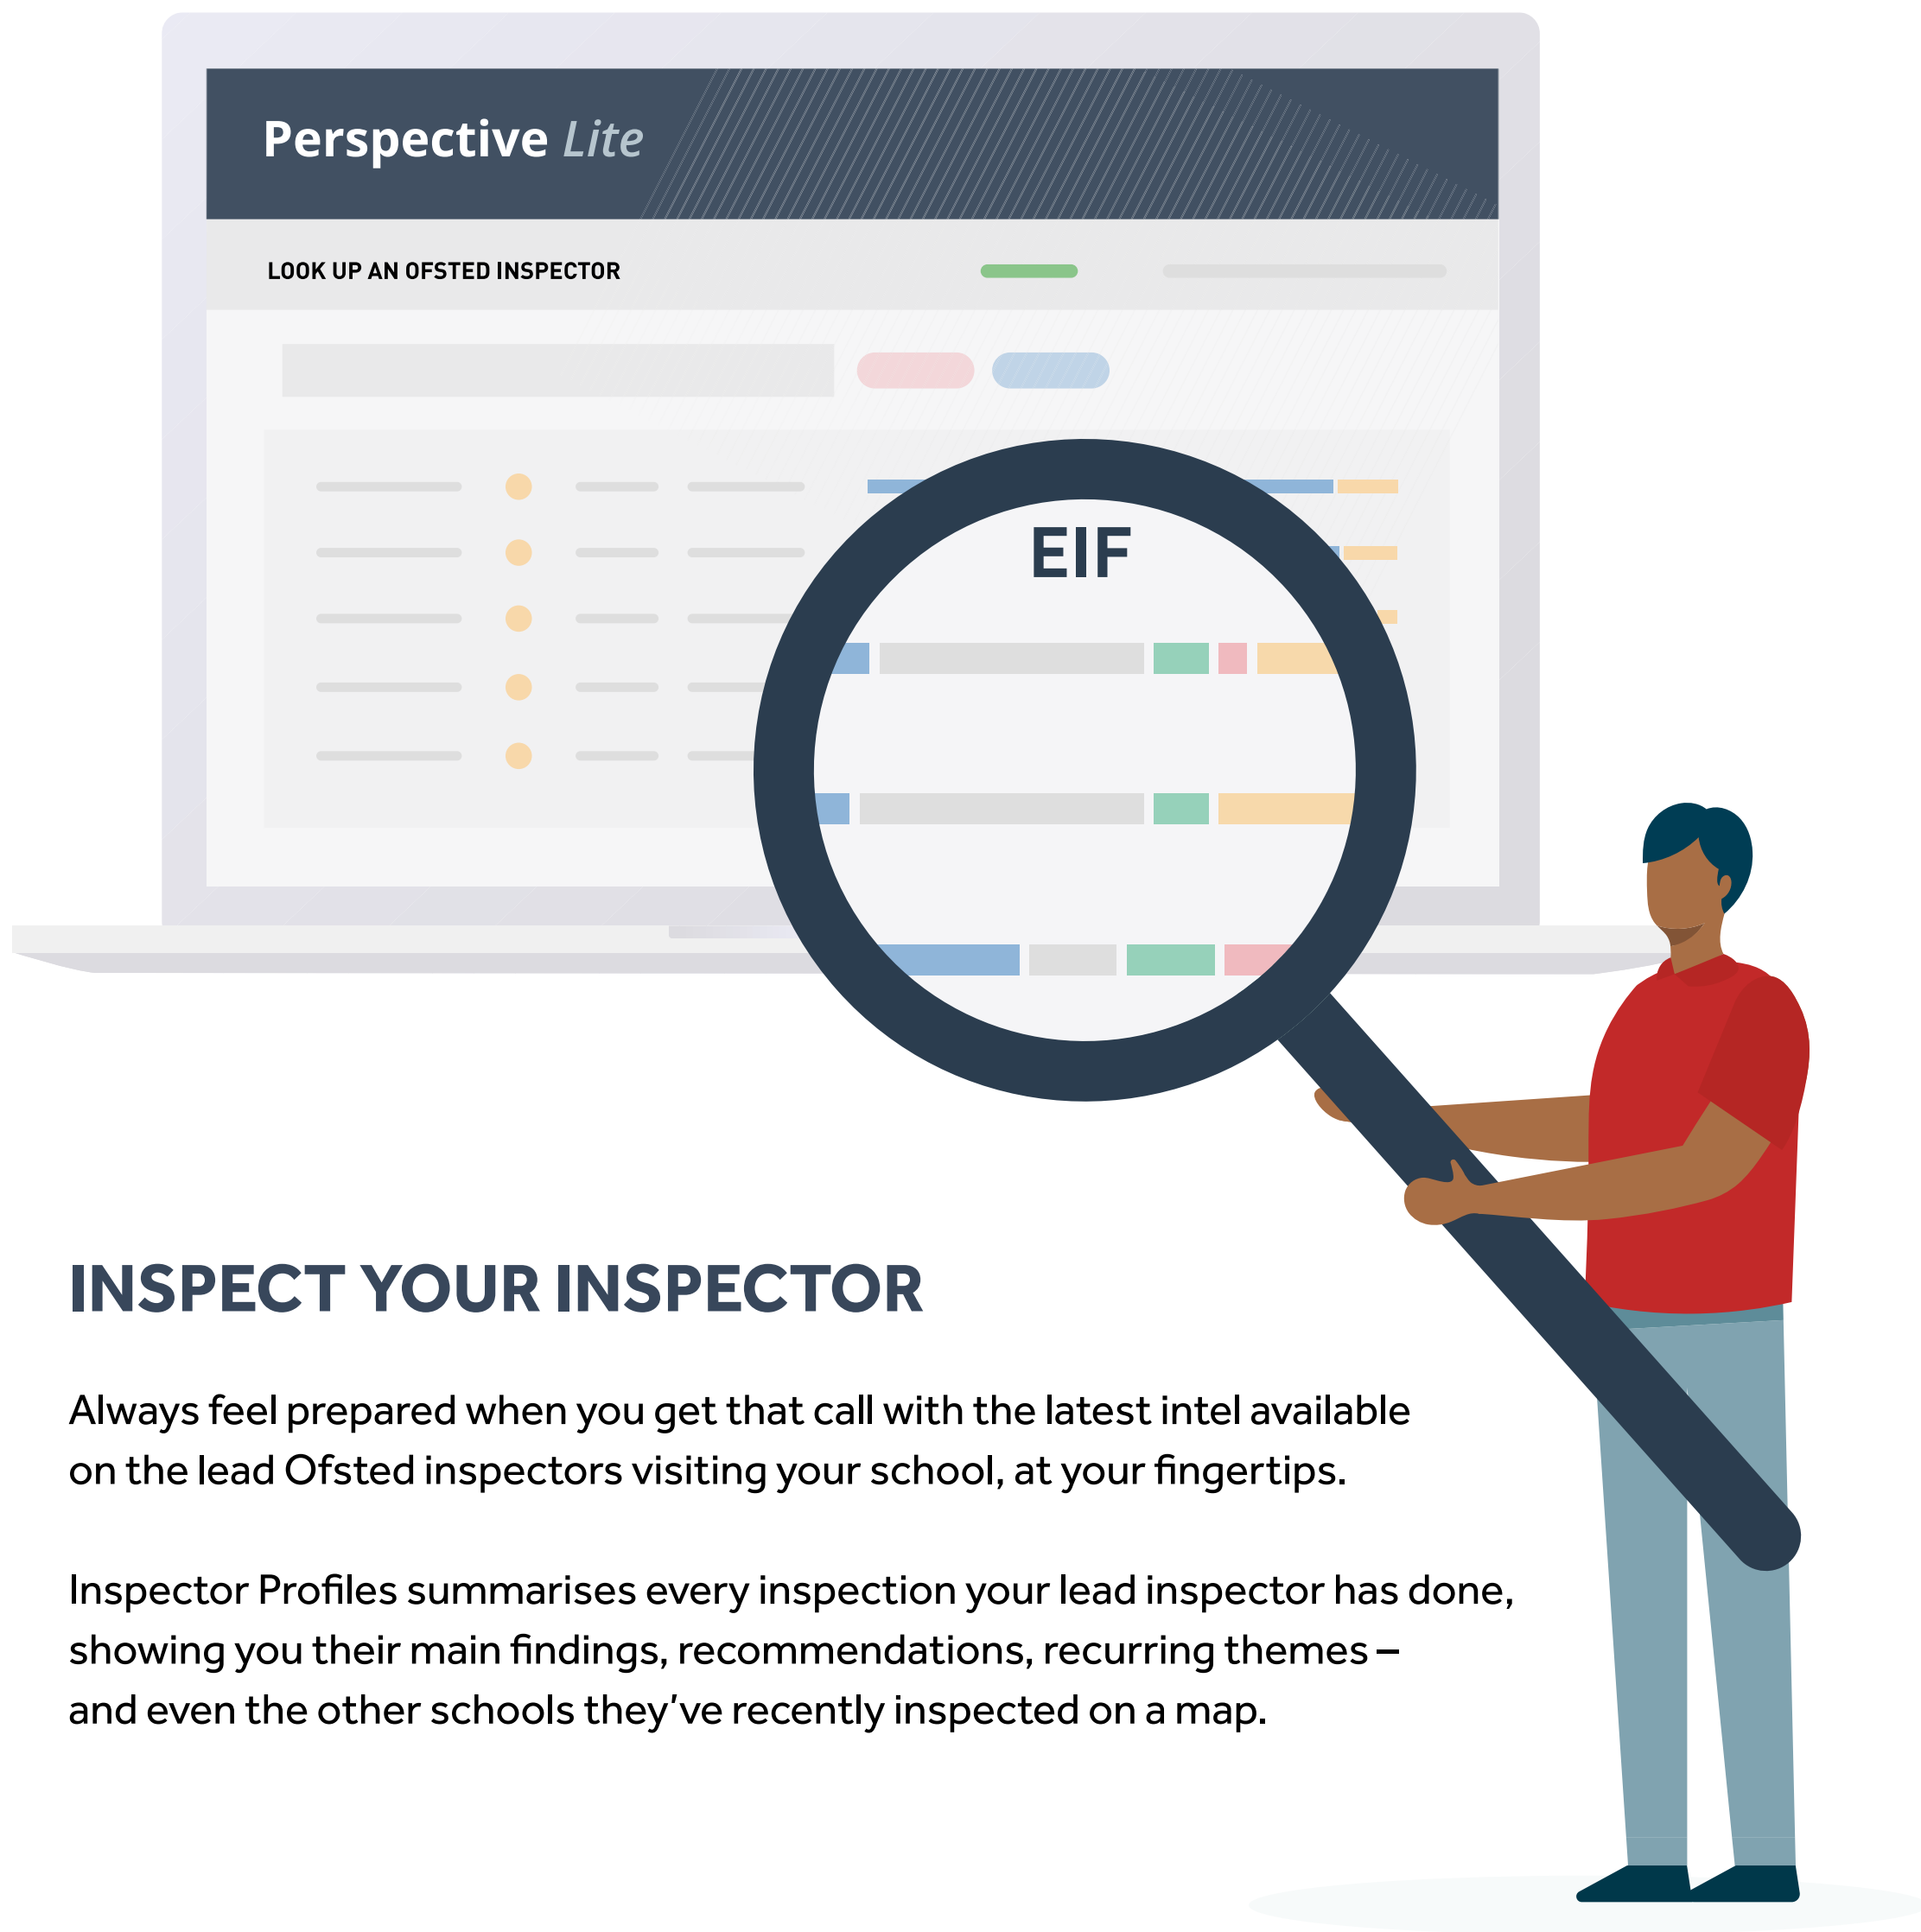

*Your local authority may charge schools for the provision of data and other additional services accessible via Perspective Lite, these are summarised in the [LA Services](#) page in Perspective Lite.

Perspective Lite is an **Angel Solutions** product. 

INSPECT YOUR INSPECTOR

Always feel prepared when you get that call with the latest intel available on the lead Ofsted inspectors visiting your school, at your fingertips.

Inspector Profiles summarises every inspection your lead inspector has done, showing you their main findings, recommendations, recurring themes – and even the other schools they’ve recently inspected on a map.

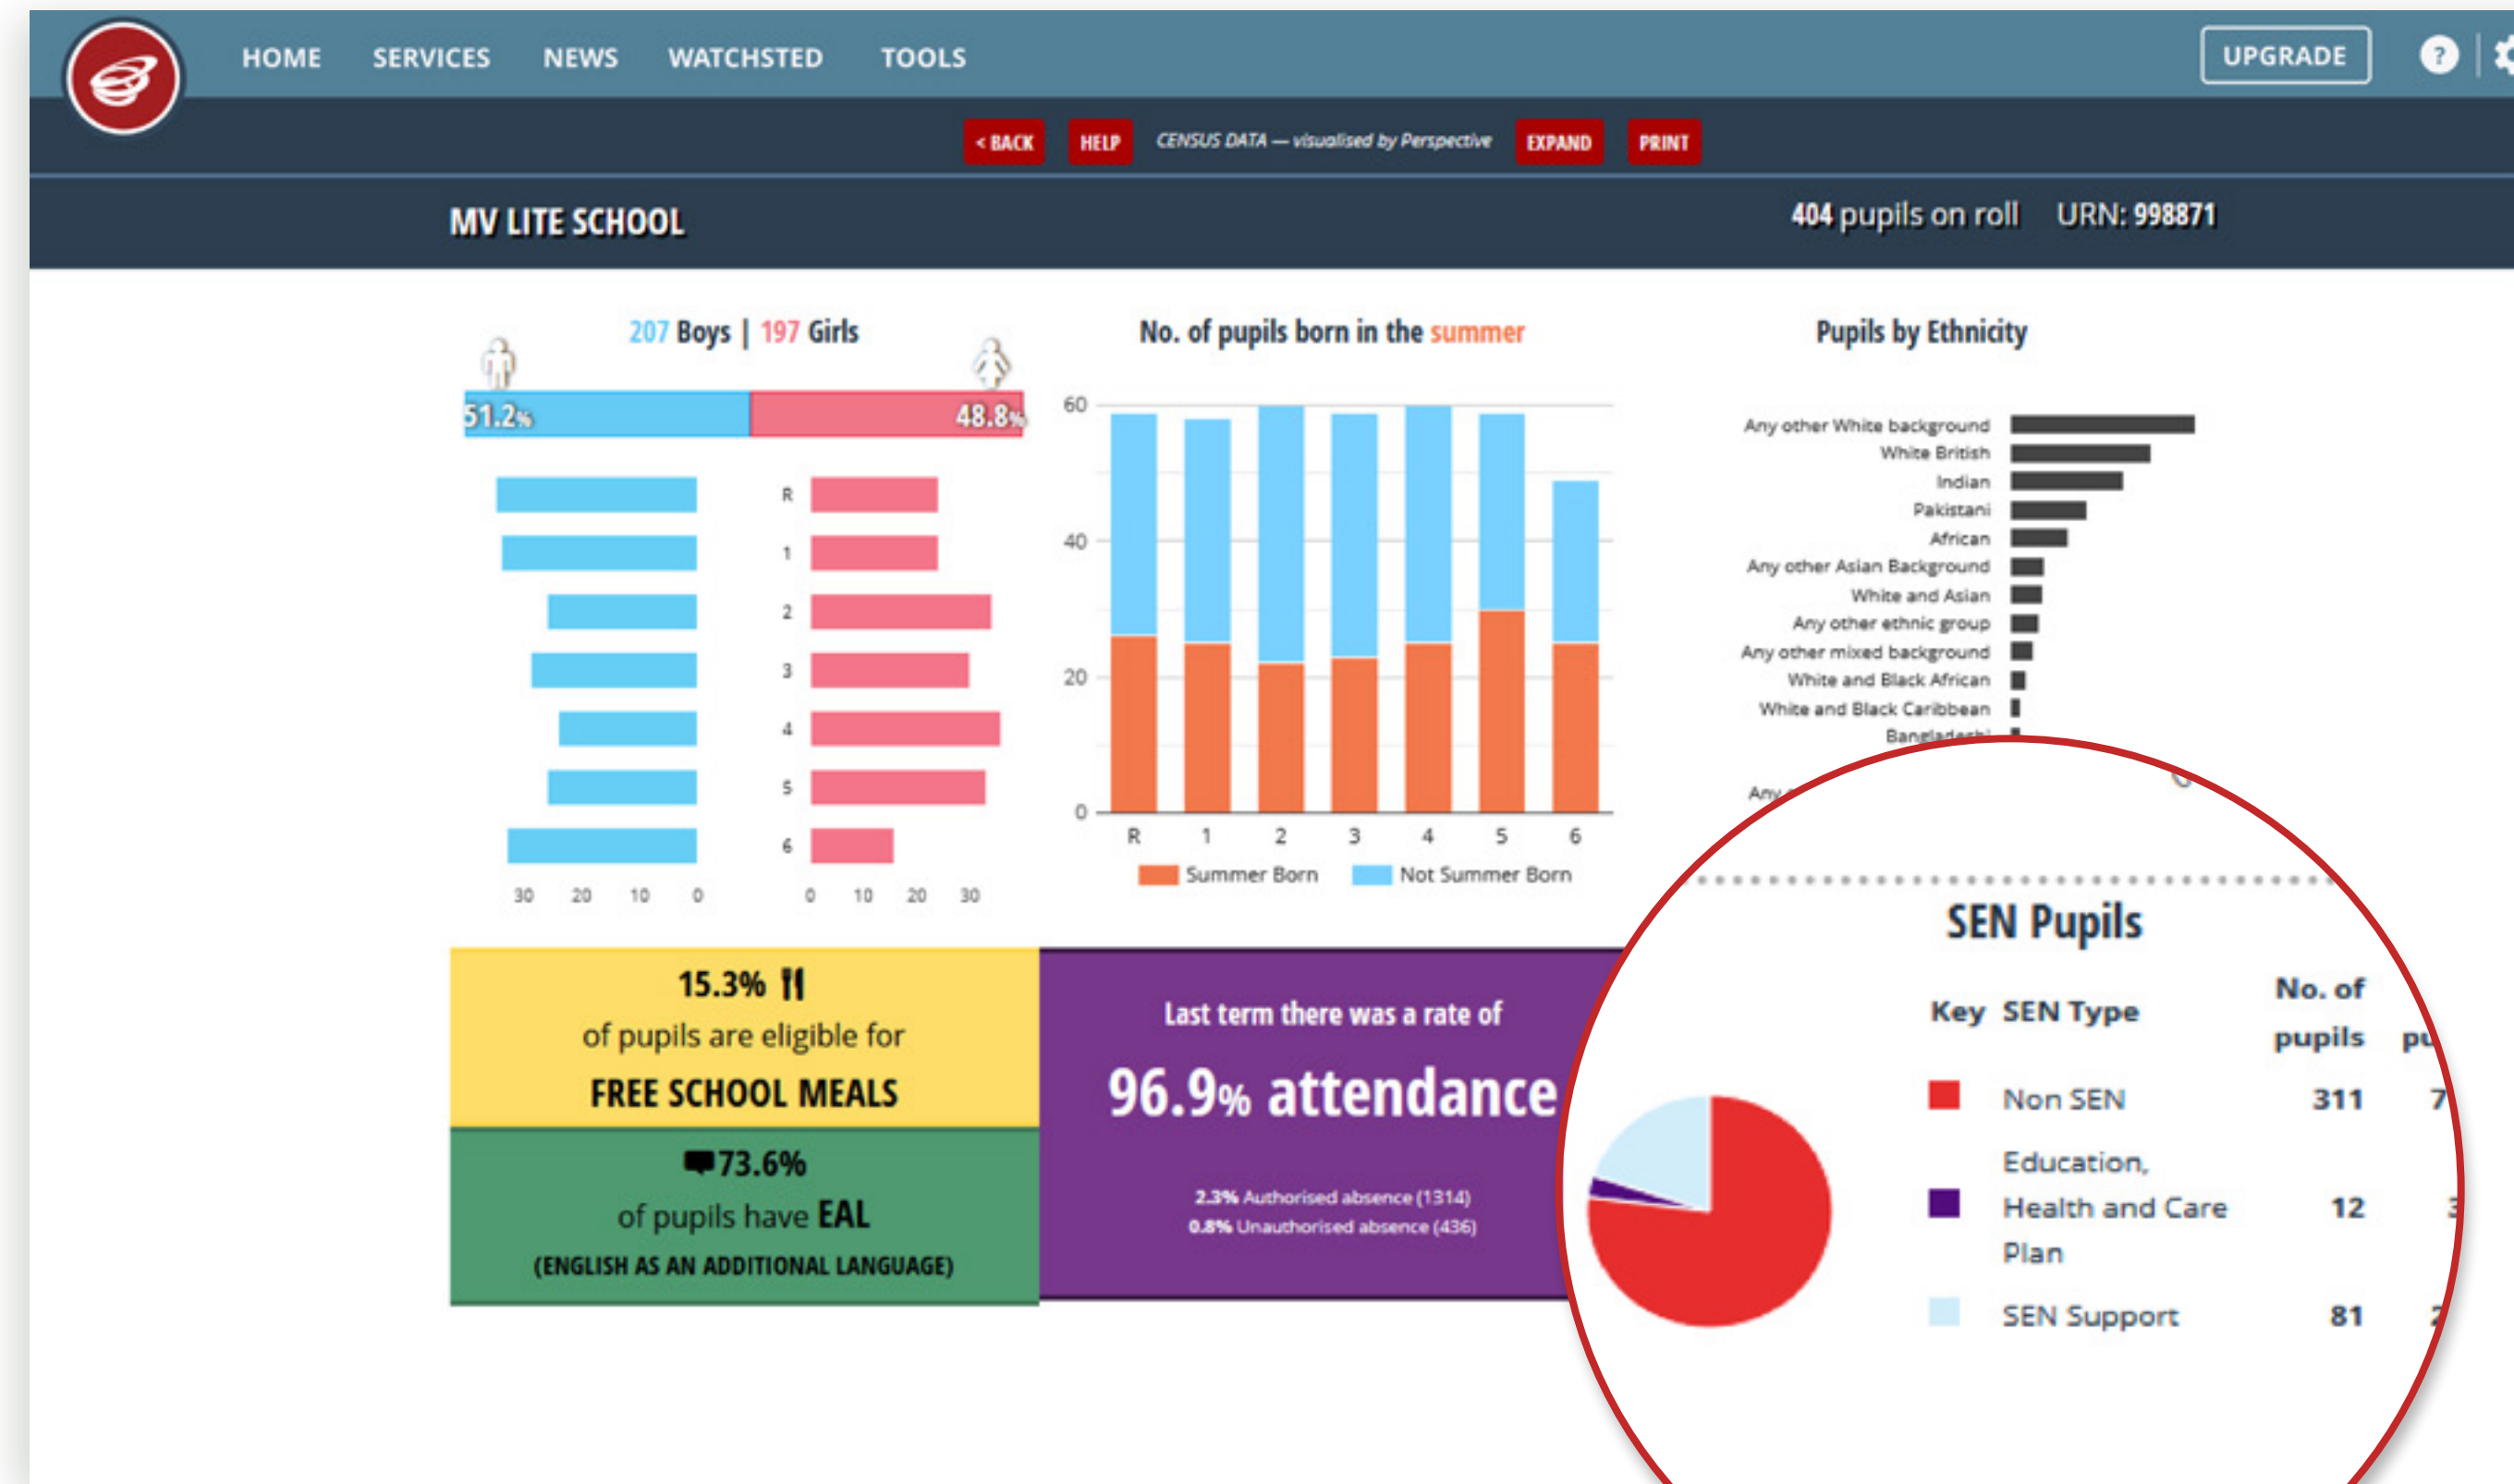

ONE-CLICK GRAPHICS

Make sense of your census data *quickly* and *easily* with our infographic creator.

Transform your data into an easy-to-understand visual, making it easy to see the wider context of your school (including SEND, FSM, and summer-born children).

Plus, you'll save time – no more faffing required to prepare for your governor meetings or inspections. One-click, and you're ready to go.

EARLY DATA

Get ahead of the game with a first-look at the emerging results for EYFSP, Phonics, KS1 and KS2, only with Perspective Lite.

Thanks to our partnership with the NCER, you'll get access to our exclusive real-time data dashboard, be able to work out how your school compares to the early National and LA results for the current results year, and see a comparison for each Key Stage over a three year period*.

*Our data dashboards are enabled by your Local Authority.
Due to Covid19, there will be no SATS data for 2020.

*Early Data and other services available through the LA Services page are brought to you by the NCER in conjunction with your local authority.

Upgrade from Perspective Lite to Perspective anytime you like.

Perspective is the school improvement toolkit that reduces your workload.

It helps you save time and money by taking care of unnecessary admin at every stage of your school cycle.

From completing the SEF to staying on top of your development plans and appraisals, thousands of schools across the country are already using it to make each day that little bit easier.

Want to see it in action?

Head to angelsolutions.co.uk/perspective – there's a free demo ready and waiting for you.
